The Daylight Store OVERSTOCKED SALE

We made the largest gain on our Spring business that we ever made. This encouraged us to buying heavier for Fall and Winter. Right here is our mistake. The weather has been dead against us. What we do we are to do right now. We are putting prices onto every kind of goods in our store where there is a surplus. We are to withdraw the sale of any article as soon as the quantity advertised is sold or stock reduced. This sale will close December 11th so as not to interfere with our Christmas business. **The first five days of this sale will be your best chance to get real bargains.** Do not wait until next week and expect to find an assortment of these values. If you buy early for Christmas this sale will help you. **Read carefully the items mentioned in this advertisement and act at once.** It will pay you to do so.
